Subject:	Proposed Rule: Legal Expense Fund Regulation (RIN 3209-AA50)"
Date:	Friday, June 17, 2022 5:02:18 PM

I object to the provisions that are optional — which renders the whole regulation toothless and a waste of time and money. It's ridiculous!

Also, the provisions covering sexual harassment are ridiculous as well. People need the protection of getting outside legal advice.
