Subject: Proposed Rule: Legal Expense Fund Regulation (RIN 3209-AA50)
Date: Monday, June 20, 2022 10:45:03 PM

To whom it may concern,

I would like to register my objection to the proposed regulation on the grounds that it is inadequate for preventing the sort of corruption and abuse of position that has become so rampant in our government.

I object in particular to any exceptions or loopholes that allow compliance to the regulation optional, and to the ineffectively short grace period between when individuals might donate and then directly benefit from any regulatory or contractual decisions.

I also ask that the regulation not place undue burdens on whistleblowers or those who represent them, but my primary concern is that the OGE be stricter and its rules be Non-optional for all government employees that may fall under its purview.

Sincerely,
Maria Lin
