Subject:	Proposed Rule: Legal Expense Fund Regulation (RIN 3209-AA50)
Date:	Tuesday, June 21, 2022 7:25:19 PM

Dear OGE Staff:

I do not support the drafted regulations regarding legal expense funds. Instead, I request that the following measures, which I adapted from those proposed by Walter Shaub (former Director of the Office of Government Ethics), be implemented:
-make compliance with the regulations mandatory, with no loopholes
-the recusal requirement should be ten years, not any briefer, regarding donors of cash gifts
-remove the example involving a sexual harasser-
-allow nonprofit charities to hire legal counsel for whistleblowers

Thank you for your work on the regulations. I hope you adopt these changes; otherwise, the protections offered by the regulations will be much reduced, because people will be able to flout them at will.

Sincerely,

Nicole Wright
