

## NOTICE OF COMPLIANCE

February 27, 2025

In accordance with the guidance provided in the [White House Memorandum: Radical Transparency About Wasteful Spending of February 18, 2025](#), the U.S. Office of Government Ethics has reviewed all current obligations for agency programs and contracts and has determined that the agency is in full compliance with all the President's Executive Orders and Memoranda. After review, OGE has not had to cancel or terminate any program or contract designated under various Executive Orders.

OGE will continuously monitor and report, as per the subject Memorandum, any program or contract terminated or cancelled per the guidance provided in the Memorandum. OGE will take all appropriate actions to make public, to the maximum extent permitted by law, the complete details of every terminated program, cancelled contract, terminated grant, or any other discontinued obligation of Federal funds. OGE shall ensure that such publication occurs in accordance with all applicable laws, regulations, and the terms and conditions of the underlying contract, grant, or other award.

If additional information is needed, please contact Shelley K. Finlayson, Chief of Staff.
