|     | <p>(5.6-5.7) The Executive Office of the President (EOP), Office of Administration-Human Resources (EOP/OA-HR) provides personnel services to EOP component agencies. This includes sending the required notices to prospective employees and new supervisors. However, while CEQ ethics officials must rely on EOP/OA-HR to send the notices, the ethics officials remain responsible for ensuring that all ethics program requirements are met. This includes having written procedures explaining how EOP/OA-HR provides the notices. Written procedures are critical for delineating responsibility and ensuring a program's continuity. EOP/OA-HR should share the relevant procedures with ethics officials.</p> <p>OGE requested that CEQ provide a copy of EOP/OA-HR's procedures. However, CEQ's ethics officials advised the OGE inspection team that they would have to make a direct request to EOP/OA-HR for the procedures. OGE will follow-up with EOP/OA-HR and issue recommendations, if appropriate</p> |                                     |                          |                                     |
