(6.6) According to ethics officials, while the DAEO has not reviewed the SOP for issuing the notice annually, the procedures have not changed. The DAEO was aware via bi-weekly DAEO meetings that HCM was scheduling the EPM Team to present at the New Supervisor orientations where new supervisors were made aware of their ethics responsibilities. Additionally, procedures have been implemented to ensure the EPM Team requests that the DAEO review the procedures annually. The DAEO recently reviewed an updated SOP. The annual review of procedures is important. It creates a specific opportunity for the DAEO to consider whether internal influences such as changes in agency structure, mission, or technological capabilities, or external factors, such as a change in regulatory requirements either make changes necessary to comply with requirements or improve efficiency.
