As a result of its inspection of the American Battle Monuments Commission (ABMC) ethics program, the Office of Government Ethics (OGE) issued four recommendations in its May 2018 inspection report. OGE conducted a follow-up review in April 2019 and was able to close three of the four recommendations at that time. OGE conducted a second follow-up review to assess whether ABMC has taken sufficient action to resolve the deficiencies underlying the remaining recommendation. The results of the follow-up review are summarized below.

	Recommendation	Agency Action and OGE Finding	Status
2	Ensure that public financial disclosure reports are certified timely.	OGE examined all public reports filed up to the time of the follow-up review and all the reports were certified timely.	Closed
Based on the results of OGE's second follow-up review, all recommendations are closed.
