Subject: Proposed Amendments to Standards of Conduct
Date: Monday, April 24, 2023 10:47:07 PM

I am writing to let you know I am opposed to the proposed rule change which threatens to expand civil rights to "sexual orientation" and "gender identity" without any protections for religious organization or churches. As a Christian, I can't believe where the United States is going. God help us all and I pray that you as our leaders do the righteous thing and not where the culture may lead you.
