Dear Ms. Stevenson:

As a result of the inspection of the Federal Election Commission (FEC), the United States Office of Government Ethics (OGE) issued one recommendation in its March 2015 ethics program inspection report. OGE conducted a follow-up to assess the implementation of the recommendation.

| | Recommendation | Agency Action | Status |
|---|---|---|--------|
| 1 | Ensure covered employees complete annual ethics training as required. | FEC developed a reconciliation process to resolve existing ethics training tracking difficulties. As of August 31, 2015, FEC's improved tracking system confirmed 96% of covered employees completed 2015 annual ethics training. | Closed |

Thank you for your assistance during the inspection follow-up process. We encourage you to contact your OGE Desk Officer for future ethics program support.

Sincerely,

Dale Christopher
Deputy Director for Compliance
