Dear Mr. Ohlweiler:

As a result of its inspection of the U.S. Agency for International Development (USAID) ethics program, the Office of Government Ethics (OGE) issued 1 recommendation in its September 2017 inspection report. OGE recently conducted a follow-up review to determine whether USAID has taken sufficient action to resolve the deficiencies underlying the recommendation. The results of the follow-up review are summarized below.

	Recommendation	Agency Action and OGE Findings	Status
1	Ensure that annual training content meets the requirements established by the revised OGE regulations at 5 C.F.R. part 2638, Subpart C, effective January 1, 2017.	OGE reviewed USAID's annual ethics training content and determined that the training presentation now meets the applicable requirements.	Closed

I appreciate the courtesies extended to the OGE program review staff. If you would like to discuss the report, please contact me at 202-482-9224.

Sincerely,

Dale Christopher
Deputy Director for Compliance
